

**WAIVER AND RELEASE OF
LIABILITY FOR
ACCEPTANCE OF FREE
SOLAR PANELS**

Marin Hazardous and Solid Waste Management Joint Powers Authority, also known as Zero Waste Marin (“Agency”) and the Conservation Corps North Bay (“CCNB”) have collected used solar panels from individuals and/or businesses that no longer need them and are making the panels available to the community, at no cost, to encourage reuse of functional solar panels.

By signing below, the undersigned recipient of the solar panels represents and agrees that they have inspected the solar panels and knowingly and voluntarily accept them in “as is” condition, without any representations or warranties.

The undersigned recipient further understands and agrees that the Agency and CCNB are not responsible for any damage or injury to recipient or recipient’s heirs or successors or to recipient’s property that may result from recipient’s acceptance or use of the solar panels.

Recipient expressly waives and relinquishes all rights and benefits afforded by Section 1542 of the California Civil Code, and does so understanding and acknowledging the significance of such specific waiver. Section 1542 of the California Civil Code provides as follows:

“A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release and that, if known by him or her, would have materially affected his or her settlement with the debtor or released party.”

Thus, notwithstanding the provisions of Section 1542, and for the purpose of implementing a full and complete release and discharge of Agency and CCNB, recipient expressly acknowledges that this waiver agreement is intended to include in its effect, without limitation, any and all claims which recipient does not know or suspect to exist in recipient’s favor at the time of execution hereof, and that this waiver agreement contemplates the extinguishment of any such claim or claims.
